

GLATZOVA & Co.

Advokátní kancelář - Law firm

Glatzová & Co. ranks among the best-performing law offices in Prague and Slovakia.

Twice it has attained the award Best Czech Law Firm of the Year by Chambers Europe Award for Excellence (2009, 2011) and twice it has become Best Law Firm of the Year according to Who's Who Legal (2010, 2013). The firm employs dozens of lawyers and legal assistants who adhere to high ethical standards and provide professional and friendly services to their clients.

Glatzová & Co. law office uses state-of-the-art technology which makes work easier, faster and more effective, and this, in turn, is reflected in a positive way in the quality and price of the services rendered. The installation of the M-Files document management system resulted in more efficient and secure sharing of documents including their automatic versioning. M-Files also facilitate access to documents in case of physical absence from the office and support various platforms for mobile devices (smart phones, tablets). The right documents are thus available at the right time while ensuring highly-secure access through the access rights of the users.

About M-Files:

„When we started to implement the system in September 2012, I was not sure if this would have any effect in our environment. After six months of using the system, I did not understand how we could have lived without it before.“

Ing. Michal Kopecký, IT Manažer
